Dear Friends,

Cherish the Children Foundation is excited to host the 30th Annual Cherish the Children Golf Classic. What started as a grassroots effort by the Carbone family in 1989 has evolved into a charity that has provided close to \$2 million dollars towards improving the lives of children in our community.

CTCF serves as a direct resource for Connecticut children and families with financial needs brought on by medical or quality of life challenges not being met through traditional funding sources. This tournament, the major fundraiser for CTCF, allows us to fulfill our mission. Our event is coordinated and staffed solely by volunteers.

We are excited to host the 2021 tournament and to spend time with our supporters, sponsors and volunteers after taking a year off. State and CSGA COVID-19 guidelines will be followed.

We humbly appreciate your support. When you participate in our Golf Classic, you experience not only a fantastic golf event, but gain the satisfaction of helping Connecticut kids achieve their greatest potential.

Thank you,

Kevin Hoagland & Kevin McEleney
Tournament Co-Chairs/Board Members
